SHARINGCITIES

# REUSE WITH PRIDE, SHARE WITH PASSION
Common solutions to shared challenges: aggregate demand, replicate, scale up

Three 'lighthouse' cities
London - Lisbon - Milan
demonstration

Three 'fellow' cities
Bordeaux - Burgas - Warsaw
co-design, validation, implementation

+100 cities
scaling up

and your city?

Activities

Learn and share: city baseline reports and findings

Take part in free online webinars on smart city themes

Get involved in design, review and validation

Access free documents on all visits, peer learning and workshops

Collaborate with SCC01 and EIP-SCC*
