

European Economic and Social Committee

## CONFERENCE

# A PARTICIPATORY MODEL FOR ENERGY EFFICIENCY IN THE BUILDING SECTOR

MONDAY 29 SEPTEMBER 2014 • 9 a.m. >5 p.m.

Macif Auditorium - 17/21 Place Etienne Pernet - Paris 15e

This conference will facilitate unprecedented cooperation between architects and town planners, as well as representatives of the construction sector and local, regional, national and European political circles. To maximise the dialogue with practitioners of energy efficiency, the event includes a visit to a social housing renovation site in Paris; this visit will also examine the involvement of all civil society players with an interest in the renovation project.

**9-9.30 a.m.** Registration and welcome coffee

**9.30-9.50 a.m.** Welcome addresses

**Francoise LAREUR**, president, MACIF Île-de-France  
**Stéphane BUFFETAUT**, president of the Section for Transport, Energy, Infrastructure and the Information Society, European Economic and Social Committee  
**Sami ANDOURA**, Senior fellow, Notre Europe - Jacques Delors Institute, Lecturer and Chair of Energy Policy at the College of Europe

**9.50-11.10 a.m.** **Session 1:**  
**What kind of governance do we need for energy efficiency 2.0: in Europe, its countries and regions?**

Representative from the French Ministry of Energy  
Representative of the Île-de-France Regional Council  
Representative of European Energy Efficiency consulting  
Representative of DG ENERGY, European Commission

Session moderated by **Pierre-Jean COULON**, EESC rapporteur, followed by a discussion with participants
