Practical Information

1. How to get to Porto

A. AIR

Porto Airport (OPO)

All major carriers

(see <http://www.ana.pt/pt-PT/Aeroportos/Porto/Porto/Paginas/HomePorto.aspx>)

See <http://www.porto-airport.com/>

Connections to Porto city:

By Light Rail

The airport light train station is located below the terminal. Up to 2 trains per hour connect the airport to Trindade Station (City Centre). It's a 30 minute travel from Porto Airport to the city centre. For more information and schedules: www.metrodoporto.pt

By bus

The bus station is located on level 0 at the airport.

Airport Line 601 to Cordoria (also see www.stcp.pt). It's a 60 minute travel from Porto Airport to city centre. You may purchase tickets from the driver, which must then be validated on the machine behind him or her.

By taxi

We encourage sustainable means of transportation; however in case of emergency, it's a 20 minutes ride from Porto Airport (depends on the traffic). Most taxis are beige, but there are also some older black and green ones. There are taxi stands by most of the main squares in Oporto, or you may call the following numbers to have one pick you up at a certain location at a scheduled time:
