

# AGAPO - INCLUSIVE EMPLOYMENT AGENCY

With young people making up nearly a quarter of the total unemployed in Brno, those with disabilities find it particularly challenging to secure a job. AGAPO works with this vulnerable group to support their transition into the workplace.

## CONTEXT

young people aged 20-29 represent nearly a quarter of total unemployed

↓

disability is a significant contributor to unemployment

↓

this vulnerable group needs support entering the labour market

## WHAT IS AGAPO?

not-for-profit association running a supported employment agency

↓

equips disabled young people with work and social skills

↓

service provided free of charge to clients and employers

As an important employer itself, the city is exploring the possibility of including social clauses in its public procurement processes.

## NEXT STEPS

better collaboration between different local, regional and national authorities

↓

exploring possibility to include social clauses in public procurement processes
