

26 January 2018

LEARNING FROM THE SUCCESSFUL SCC REPLICATION WORKSHOP

How can Lighthouse City Smart Solutions be replicated in Follower Cities?

Draft Agenda

Register [here](#)

The deadline to register is 15 January 2018

Venue: INEA - Innovation and Networks Executive Agency, Chaussée de Wavre 910, B-1049, Brussels
You can find more information on how to reach INEA by clicking on this [link](#)

MATCH-UP
STARDUST

08:30-10:00 **Registration**

10:00-10:15 | **Welcome**
INEA Director, Dirk Beckers

10:15-10:30 | **Policy context for Smart Cities and Communities**
DG ENERGY Jens Bartholmes

10:30-10:45 | **How to ensure political support for developing a Smart and Sustainable City?**
Vice Mayor of Stockholm, Katarina Luhr (tbc)

10:45-11:00 | **Introduction on replication**
Bernadett Degrendele, EUROCITIES, and other city networks (Energy Cities, ICLEI)

11:00-12:30 | **Replication workshops on SCC1 projects Smart Solutions (Round 1)**

There will be 3 separate replication workshops each consisting of several round tables. All 3 workshops will take place in parallel. Each workshop will start with an introduction by the moderator. Participants will then attend one of the round tables, where first there will be 20 minutes of presentations by industrial and city partners and 40 minutes discussion. Then the moderators of the workshops will collect information on the most important findings. The afternoon session will follow the same format with participants attending a different round table.

LOW ENERGY DISTRICTS	INTEGRATED INFRASTRUCTURE	URBAN MOBILITY
<u>Moderator:</u> Lisa Enarsson, City of Stockholm, GrowSmarter	<u>Moderator:</u> Nathan Pierce, City of London, Sharing Cities	<u>Moderator:</u> Philippe FOURNAND, Wavestone, Smarter Together
E1 Low Energy retrofitting residential buildings	I1 Smart Grid solutions, open district heating	M1 Mobility stations including car sharing, bike sharing and smart parking
E2 Low Energy retrofitting tertiary (commercial) buildings	I2 Urban Data Platforms	M2 Planning for charging infrastructure in the city
E3 Virtual Power Plant; Energy management systems including storage	I4 The smart and connected city - sensors and connectivity in public urban space	M3 Zero Emission Zones
		M4 Sustainable distribution of light goods reducing overall traffic and providing better information on delivery time
		M5 Electric Public Busses

12:30-13:30 **Lunch**

13:30-15:00 | **Replication workshops on SCC1 projects Smart Solutions (Round 2)**

LOW ENERGY DISTRICTS	INTEGRATED INFRASTRUCTURE	URBAN MOBILITY
<u>Moderator:</u> Lisa Enarsson, City of Stockholm, GrowSmarter	<u>Moderator:</u> Nathan Pierce, City of London, Sharing Cities	<u>Moderator:</u> Philippe FOURNAND, Wavestone, Smarter Together
E1 Low Energy retrofitting residential buildings	I1 Smart Grid solutions, open district heating	M1 Mobility stations including car sharing, bike sharing and smart parking
E2 Low Energy retrofitting tertiary (commercial) buildings	I2 Urban Data Platforms	M2 Planning for charging infrastructure in the city
E3 Virtual Power Plant; Energy management systems including storage	I3 Smart Lighting and lampposts	M3 Zero Emission Zones
	I4 The smart and connected city - sensors and connectivity in public urban space	M4 Sustainable distribution of light goods reducing overall traffic and providing better information on delivery time
		M5 Electric Public Busses

15:00-15:30 **Coffee break**

15:30-15:45 | **Action Cluster EIP Integrated Planning, Smart cities guidance package**
Simona Costa; Senior Policy Advisor; Comune di Genova Bruxelles and Integrated Planning Action Cluster leader EIP Smart cities

15:45-16:45 | **What are the barriers to implementing the smart solutions in Low Energy Districts, Integrated Infrastructure and Urban Mobility? What changes are needed to replicate?**
The moderators for each workshop summarize how they apply to the specific topic and highlight new insights from the workshop

16:45-17:00 | **Closing**
Robert Goodchild (INEA) and Jens Bartholmes (DG Energy)

*BABLE, a digital platform, co-developed with SCC 01-Replication task group, for supporting cities with implementation of smart city solutions will have a stand at the event. Know more about BABLE [here!](#)
