

URBAN-NEXUS

2012 DIALOGUE
CAFE

BARCELONA 17th & 18th October

AGENDA: Health and quality of life in urban areas - Partnership Approaches

This second URBAN-NEXUS Dialogue Café will be an opportunity to:

- **share knowledge** with other researchers, urban professionals and practitioners from across the public, private and third sectors;
- **identify complex issues** shared by European cities in achieving health and quality of life in their cities;
- **relate issues on health and quality of life to other aspects of 'the sustainable city'**
- **develop connections and networks** with other organisations to explore priorities and potential options for future cooperation and collaboration.

Wednesday 17th of October

About URBAN-NEXUS

URBAN-NEXUS enables knowledge transfer and stimulates dialogue to form long-lasting partnerships amongst researchers, practitioners, policy makers, civil society and SMEs. The project promotes integrated approaches to sustainable urban development. It is a Coordination and Support Action funded by the European Framework Programme 7 from 1st September 2011 until 31st August 2014.
