**Subject: ECOMM 2011 in Graz**

Dear Mr. Coppey,

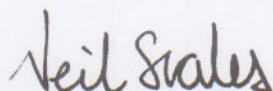

On behalf of EPOMM I would like to confirm that Toulouse was selected on 9 November 2009 to be the host city of the European Conference on Mobility Management (ECOMM) in 2011. This decision was based on the excellent candidature sent to us in October 2009.

The Coordinator of the EPOMM, Karl-Heinz Posch, will remain in contact with you to agree on organisational and financial details.

We are looking forward to a successful cooperation.

Regards

Yours sincerely

Neil Scales
