PROSPECT

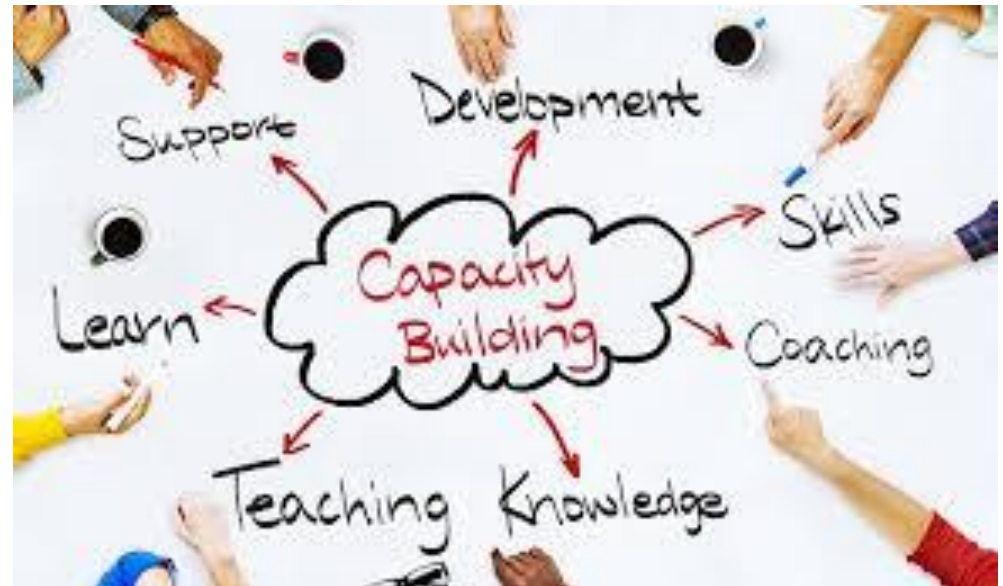

- In February CITIES GROW ended
- New project : VALUES

VALUES enables cities to exchange know-how, expertise, and good practices on how best to implement local actions. It builds on the experience and success of past EUROCITIES projects (CITIES GROW, MIXITIES, DIVE, INTI-Cities, ImpleMentoring) that together addressed the gaps in the implementation of the Integrating Cities Charter, which embodies the cities' commitment to third-country national's integration. The project brings together two experts organisations, Migration Work and the European Centre for Volunteering (CEV) and 16 cities: Amsterdam, Bristol, Brno, Cesena, Dusseldorf, Madrid, Nuremberg, Oslo, Ostend, Riga, Sheffield, Terrassa, Thessaloniki, Toulouse, Turin and Zurich.

The screenshot shows the website www.eurocities.eu/eurocities/funding_briefs. The user is logged in as Anja Katalin De Cunto. The navigation menu includes HOME, WHO WE ARE, HOW WE WORK, WHAT WE DO, MEMBERS AREA, and a search icon. The breadcrumb trail is / funding info. The main heading is "funding info section" with a "Tweet" button. The text explains that the page provides up-to-date information on funding and financing opportunities for local authorities, searchable by forum, type, or programme. It also mentions a partner search service and a "create a notice" form. A "funding" filter section has dropdowns for FORUMS, TYPES, and PROGRAMME. A "funding forecasts" box lists "EUROCITIES Funding forecast March 2018" dated 27-03-2018. A "highlights" section lists "IETM fund finder for arts and culture across Europe" (28-11-2017), "Presentation: Update on funding opportunities of interest for local authorities_December 2017" (13-12-2017), and "URBIS - a dedicated advice tool for cities on sustainable investment" (28-11-2017). The footer features a webinar announcement for the JPI Urban Europe-NSFC joint call on Sustainable and Liveable Cities and Urban Areas, dated 28/03/2018.

This page includes the most up to date information on funding and financing opportunities of interest for local authorities. Information can be searched by EUROCITIES forum, type of information (i.e. events, partner search) or funding programme. For a complete overview you can also check the funding forecast document on the right side of the page.

EUROCITIES members can make use of a partner search service in order to find partners for joining project proposals by using the partner search form, and announce your partner search on this page by using the 'create a notice' form. Funding information is included in the EUROCITIES Insider and regularly sent to all EUROCITIES members.

You can also check our [project page](#).

SC1-DTH-11-2019 Large Scale pilots of personalised & outcome based integrated care

The scope of this topic is to foster the large-scale pilots for deployment of trusted and personalised digital solutions dealing with Integrated Care, with a view to supporting and extending healthy and independent living for older individuals who are facing permanently or temporarily reduced functionality and capabilities. This in turn is expected to contribute to a patient-centred and truly individualized strategy in order to develop trusted, robust and financially sustainable services potentially useable in any Member States and the Digital Single Market, and applicable to a very wide range of patient pathways. These approaches aim to enable people to remain independent as long as possible and prevent hospitalisation.

Budget: EUR 4/6 million

Deadline: 24 April 2019

Innovation action

LC-SC3-EC-2-2018-2019-2020 Mitigating household energy poverty 2019

Actions should contribute to actively alleviating energy poverty and developing a better understanding of the types and needs of energy poor households and how to identify them, taking into account gender differences where relevant, building on any existing initiatives such as the European Energy Poverty Observatory.

Budget per project: EUR 1/2 million

Deadline: 03 September 2019

REC-RDAP-GBV-AG-2019 Call for proposals to prevent and combat all forms of violence against children, young people and women

Priorities:

- 1.1. Prevention, protection and/or support of victims of domestic violence
- 1.2 Protection and support for victims of gender-based violence amongst particularly vulnerable groups
- 1.3 Prevention of and responses to sexual harassment
2. Preventing and combating violence against children
 - 2.1 Capacity-building for trainee and in-service medical practitioners
 - 2.2 Capacity-building for specialist forensic interviewers for child victims of violence
 - 2.3 Capacity-building for trainee and in-service specialist practitioners providing evidence-based and trauma-informed therapeutic services and treatment to child victims of violence

D: 13 June 2019

Budget per project: not less than 75 000 EUR

REC-RDIS-DISC-AG-2019 Promote the effective implementation of the principle of non-discrimination

Priorities:

1. Promoting diversity management in the public and private sector, this includes the increasing number of Diversity charters by EU Member States, signatories, and concrete actions that promote diversity at the workplace with regard to the six grounds or intersectionality.
2. Fighting against discrimination based on sexual orientation in society and promoting the rights of LGBTI people through the implementation of the List of Actions to Advance LGBTI Equality. In particular, concrete and practical actions raising awareness for LGBTI equality or to train professionals in relevant areas important for advancing equality of LGBTI people. Priority will be given to ensure there is funding for at least one project focusing on transgender equality and one project focusing on intersex equality.
3. Fighting against discrimination based on religion or belief, race and/or ethnic origin (excluding hate speech), and/or multiple discrimination, to contribute to the enforcement and effective implementation of Union law and policy, such as victims' interest representation, independent monitoring, awareness-raising, early warning and reporting. Applicants are encouraged to involve equality bodies in their projects and address the issues reflected in the Commission Recommendation on Standards for Equality bodies.
4. Strengthening the fight against anti-gypsyism and various forms of discrimination against Roma including spatial and schooling segregation, discrimination in (access to) employment, health and housing, forced evictions, as well as multiple discrimination. This includes promoting societal support to Roma integration and desegregation, promoting Roma political, social and cultural participation, empowering Roma youth, women and children and promoting their participation in developing, implementing and monitoring policies affecting them; supporting capacity building of Roma and pro-Roma civil society active at the local level.
5. Improving equality data collection in the public and/or private sector by implementing new tools to foster the collection and use of equality data, by mapping existing data in Member States and improving interactions with other types of available data and research, developing a diagnosis tool that could be easily used by the private sector including SMEs to assess their diversity.

Budget per project: less than € 65 000

Deadline: 20 June 2019

REC-RDIS-NRCP-AG-2019 Call for proposals to support National Roma platforms

National Roma platforms are expected to encourage and facilitate dialogue, mutual learning, cooperation, and policy reviews between all national stakeholders. Inclusion of Roma people, particularly women and youth is encouraged.

Their aim is to:

- empower National Roma Contact Points in the process of Roma integration;
- improve participation of all relevant stakeholders (i.e. public authorities, Roma and non-Roma communities, non-governmental organisations, entrepreneurs, trade unions, academia, etc.) in decisions that affect Roma, taking into account their roles;
- strengthen multi-stakeholder accountability, commitment to, as well as ownership and transparency of the process of Roma integration;
- boost the commitment to and effective implementation of integration measures at the local level, improving the equal access of Roma to mainstream services and opportunities, strengthening community building between Roma and non-Roma;
- address gaps and challenges in the implementation of the National Roma Integration Strategy specific to the national context, and to report at national and EU level.

Deadline: 20 June 2019

Budget per project: Less than 65 000 EUR
