- **90 % event met expectations and gained useful knowledge**
- **85 % will be able to apply knowledge and information to job**

EURO
CITIES

Highlights:

- Positive comments on keynote presentation
- Mainly positive feedback on organization and logistics
- Very positive comments on site visits and masterclasses - although not even across spectrum
- Positive feedback of integrating cities charter panel
- Networking opportunities

EURO
CITIES

Points for improvement:

- **high-level policy dialogue: too simplistic, too large, not enough diversity in panel**
- **charter signing ceremony - too long**
- **not enough time for discussion in sessions**
