

TODOS - CAMINHADA DE CULTURAS

TODOS is an annual festival hosted by the city of Lisbon. It is designed to promote cultural diversity and social cohesion, and build links with the local immigrant community. Through the TODOS festival, Lisbon invites residents to explore the diverse Mouraria-Martim Moniz neighbourhood, meet the locals and experience their lifestyle and culture.

SHARING

local community with public and private partners
↓
host, contribute and take part in events, classes and activities to highlight their cultural heritage
e.g.
traditional music, language lessons etc.

SUCCESSSES

reduced crime rate in the neighbourhood
&
less prejudice and mistrust towards immigrant community
&
more self-confidence among immigrant community

TODOS aims to revitalise the cultural city of Lisbon. [...] By involving people from various backgrounds and generations, the festival creates emotional ties and builds mutual respect. By building bridges between neighbourhoods, we will gradually and gently confirm Lisbon's status as an intercultural city!
