

ONE TICKET, ONE TARIFF, ONE TERRITORY

Nice residents can now travel accross the whole department on a single fare transport ticket. The ticket covers public transport across Nice Cote d'Azur's (NCA) 46 urban and rural municipalities based around the city centre, meeting the challenge of providing cost-effective and efficient public transport for all citizens.

AIM

one ticket

any public transport serving the Nice Cote d'Azur area

convenient public transport for the whole urban and rural community

MORE IMPROVEMENTS

rebranding

real-time travel information

energy efficiency measures

“ ‘Carte Azur’ is a revolution for public transport users in the Alpes-Maritimes and the Principality of Monaco. [...] May the ‘Carte Azur’ contribute to reducing road traffic, preserving our environment and making life more convenient for our citizens!

Christian Estrosi,
mayor of Nice
